

prior\_hessian::Archimedean  
Copula

```
graph BT; AMHCopula[prior_hessian::AMHCopula < Ndim >] --> Archimedean[prior_hessian::Archimedean Copula];
```

The diagram illustrates a class inheritance relationship. A blue arrow points from the 'prior\_hessian::AMHCopula < Ndim >' box to the 'prior\_hessian::Archimedean Copula' box, indicating that AMHCopula inherits from Archimedean Copula.

prior\_hessian::AMHCopula  
< Ndim >
