

ArchimedeanCopula.h

```
graph BT; AMHCopula.h --> ArchimedeanCopula.h
```

The diagram illustrates a header file inclusion relationship. At the bottom is a white rectangular box labeled 'AMHCopula.h'. A blue arrow points vertically upwards from this box to a gray rectangular box at the top labeled 'ArchimedeanCopula.h'. This indicates that 'AMHCopula.h' includes 'ArchimedeanCopula.h'.
